

**GOODS AND SERVICES FOR TRADEMARK REGISTRATION APPLICATIONS**  
**DECREE REGARDING THE CLASSIFICATION**  
**(TÜRKPATENT: 2024/2)**  
**Goods and Services Classification**

**CLASS 1**

01. Chemicals used in industry, science, photography, agriculture, horticulture and forestry (including biological preparations used in industry and science, pectin, lecithin, enzymes and preservatives used in the food industry, vitamins, preservatives and antioxidants used in cosmetics
02. Fertilizers and soils.
03. Unprocessed artificial resins and unprocessed plastics.
04. Fire extinguishing agents.
05. Adhesives except for stationery, medical and household use.

## **CLASS 2**

01. Paints, varnishes, lacquers, rust inhibitors, wood preservatives, binders and thinning agents for paints, paint pigments, coating agents (in the form of paint), metal preservatives, shoe polishes; printing inks and inks, toners (including toner cartridges in solid form); substances for coloring foodstuffs, medicinal products and beverages.
02. Unprocessed natural resins.
03. Metal sheets and powdered metals for painters, decorators, printers and artists.

### **CLASS 3**

01. Bleaching and cleaning agents; detergents, bleaches, fabric softeners, stain removers, dishwashing agents, cloths impregnated with cleaning agents.
02. Perfumery, perfumery-impregnated wipes, cologne wipes; cosmetics, non-drug cosmetics, fragrances for personal use and places (including deodorants for humans and animals).
03. Soaps (except soaps containing pharmaceuticals).
04. Dental care products: toothpastes, tooth polishing and whitening agents, non-medicated mouthwashes.
05. Abrasive products: emery cloths, sandpaper, pumice stones, abrasive pastes.
06. Polishing and care products for leather, vinyl, metal and wood: polishes, care creams, waxes for polishing.

#### **CLASS 4**

- 01. Industrial oils, greases, cutting fluids, dust absorbents, wetting and binding agents.
- 02. Solid fuels; coals, wood.
- 03. Liquid and gaseous fuels; gasoline, diesel, liquefied petroleum gas, natural gas, fuel oil and their non-chemical additives.
- 04. Candles, wicks, semi-finished waxes, beeswaxes (waxes), paraffins for lighting purposes.
- 05. Electric energy.

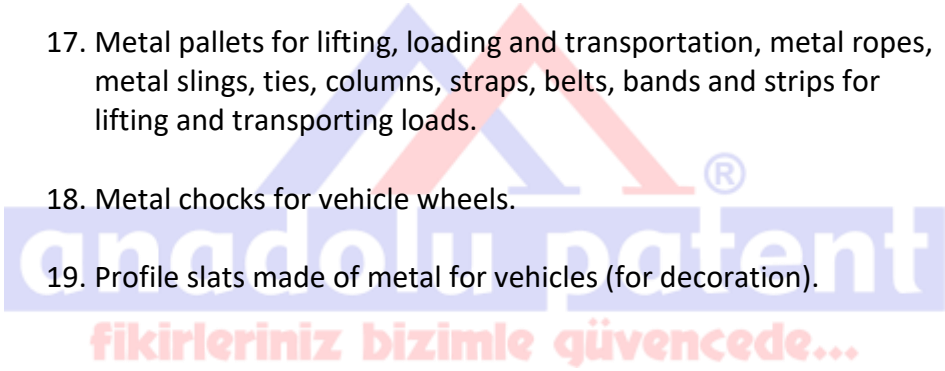

## CLASS 5

01. Medicines for human and animal health, chemical products for medical and veterinary purposes, radioactive chemicals for medical and veterinary purposes, cosmetics containing medicines.
02. Dietetic substances suitable for medical and veterinary use; dietary supplements for humans and animals, food (nutritional) supplements; medical preparations for weight loss; infant formulas; plants for medicinal purposes and herbal beverages for medicinal purposes.
03. Products for dentistry (excluding instruments/devices); dental filling materials, dental molding materials, denture and artificial tooth bonding and repair materials.
04. Hygiene products; pads, tampons, medical moxibustion, dressing materials, diapers for children, adults and pets made of paper and textiles.
05. Substances that destroy harmful insects, harmful plants, harmful fungi and rodents.
06. Deodorants, air purifiers and deodorizers, except those for humans and animals.
07. Disinfectants, antiseptics (germicides), medical detergents, medicated soaps, disinfecting soaps, antibacterial hand lotions, hygiene wipes impregnated with disinfectant or antibacterial lotion.

## CLASS 6

01. Non-precious mineral ores.
02. Ordinary metals and their alloys and semi-finished products:  
rebar; wire mesh and wires of ordinary metals for construction;  
ordinary metals in sheet, billet, bar, profile, plate, sheet.
03. Materials and tools made of metal for sheltering, storing,  
preserving, covering, wrapping, enclosing, enclosing, storing,  
placing; structures made of metal, mobile homes made of metal,  
metal boxes, metal packaging, metal fences, railings, metal tubes,  
metal containers, metal warehouses, metal shipping crates,  
metal portable stairs.
04. Doors and windows made of metal, shutters, blinds and their  
frames.
05. Metal cables, wires not for electricity.
06. Hardware (hardware) articles of metal; screws, nails, bolts, nuts,  
pins, washers, metal pitons for climbers, chains, metal furniture  
fittings and wheels, furniture and bed wheels made of metal,  
door and window handles, metal hinges, espagnolettes, metal  
locks, lock keys, metal key carrying rings, metal rollers.
07. Ventilation ducts, grilles, culverts, culvert covers, chimneys,  
chimney caps, manhole covers, gratings for ventilation, heating,  
sewerage, telephone, underground electrical and air conditioning  
installations made of metal.
08. Materials made of metal for indication, orientation, indication,  
identification: signs, boards, license plates, non-illuminated traffic  
direction signs made of metal.
09. Pipes, drill pipes and fittings for the transportation of liquids or  
gases, made of metal: valves, sleeves, elbows, clips, extensions,  
of metal.
10. Coin safes.

11. Railway materials made of metal: rails, rail joints, turnouts.
12. Metal pier bollards and buoys, metal pontoons, anchor anchors for marine vessels.
13. Metal molds for casting works (except for machine parts).
14. Works of art made of base metals or their alloys; trophies awarded in competitions made of base metals.
15. Caps made of metal, bottle caps.
16. Metal poles, metal uprights, metal scaffolds, metal scaffolds, metal piles
17. Metal pallets for lifting, loading and transportation, metal ropes, metal slings, ties, columns, straps, belts, bands and strips for lifting and transporting loads.
18. Metal chocks for vehicle wheels.
19. Profile slats made of metal for vehicles (for decoration).

## CLASS 7

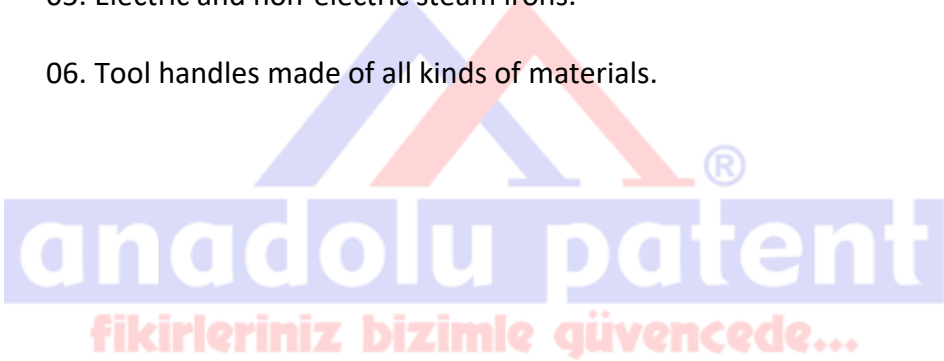

01. Machines, machine tools and industrial robots, three-dimensional printers used for the processing and shaping of wood, metal, glass and plastic materials and mines.
02. Construction machinery: dozers, backhoes, excavators, road construction and paving machines, drilling machines, rock drilling machines, sweepers and robotic mechanisms with the same function.
03. Lifting, transporting and conveying machines: elevators, escalators, cranes, robotic mechanisms with the same function.
04. Machines and robotic mechanisms used in agriculture, animal husbandry, agricultural sectors and grain/fruit/vegetable/food processing, beverage making and processing machines.
05. Engines, electric motors, their parts and assemblies, except for those for land vehicles; hydraulic and pneumatic controls, brakes and brake pads, except for those for land vehicles; crankshafts, gears, cylinders, pistons, turbines, filters; parts used in land vehicles and included in this class; oil, fuel, and air filters for vehicles, exhausts, exhaust manifolds, cylinders, cylinder heads, pistons, carburetors, fuel conversion devices, injectors, fuel economy devices, pumps, valves, starters, dynamos, spark plugs.
06. Bearings, ball or roller bearings.
07. Tire dismounting and mounting machines.
08. Alternators, generators, electric generators, solar-powered generators.
09. Painting machines, automatic paint spray guns, electric, hydraulic and pneumatic punching machines and guns, electric adhesive guns, guns for compressed air or liquid spraying machines, electric hand drills, chainsaws, jigsaws, spiral machines, compressed air generators, compressors, car washers and robots with the same function as the machines and tools listed above.

10. Electric and gas welding machines, electric arc welding devices, electric soldering devices, electric arc cutting devices, electric welding machine electrodes and robots with the same function.
11. Printing machines.
12. Packaging machines, filling-sealing and capping machines, labeling machines, sorting machines and robots and robotic mechanisms with the same function as the above-mentioned machines (including electric plastic sealing/sealing devices [packaging]).
13. Textile machines, sewing machines and industrial robots with the same function; sewing machine needles.
14. Pumps that are not part of a machine or engine (including fuel filling and dispensing pumps and their guns).
15. Kitchen electrical appliances for chopping, grinding, crushing, whisking and crumbling; washing machines (including washing machines for washing clothes/dishwashers, non-heated centrifugal tumble dryers); electric machines for cleaning floors, carpets or upholstery, vacuum cleaners and parts thereof.
16. Vending machines.
17. Galvanizing and electroplating machines.
18. Electric opening and closing mechanisms.
19. Cylinder seals for machines and engines.
20. Clutch linings for machines and engines, except for those land vehicles.

## **CLASS 8**

01. Forks, spoons, knives and non-electric cutting utensils for cutting, chopping and peeling, including those made of precious metals.
02. Cutting and stabbing weapons.
03. Tools included in this class used for beauty and personal care; shaving, epilation, manicure, pedicure tools, hand tools for hair straightening and curling, scissors.
04. Hand tools (non-electric and non-motorized) for machinery, equipment and vehicle repair, construction, agriculture, horticulture and forestry.
05. Electric and non-electric steam irons.
06. Tool handles made of all kinds of materials.

## CLASS 9

01. Measuring instruments and apparatus, including those for scientific, nautical, topographical, meteorological, industrial and laboratory use; non-medical thermometers, barometers, ammeters, voltmeters, moisture meters, testers, telescopes, periscopes, binoculars, magnifying glasses, compasses; vehicle gauges; materials used in laboratories; microscopes, experimental materials and apparatus.
02. Devices for the recording, transmission or reproduction of sound and image; cameras, cameras, televisions, videos, CD-DVD recording and player devices, MP3 players and remote control devices used with them, computers, desktop-tablet computers, wearable technological devices (smart watches, wristbands, head-mounted devices), microphones, speakers, headphones; devices for communication and reproduction purposes and computer peripheral equipment; mobile phones and their cases, mobile phone screen protectors; fixed telephones, telephone exchanges, computer printers, scanners, photocopiers, 3D glasses.
03. Magnetic and optical recording carriers and computer programs and software recorded on them; electronic publications, mobile applications, cryptocurrencies (software), non-fungible tokens (Qualified Intellectual Property) that can be downloaded via computer networks and recorded on magnetic and optical media; cards with magnetic/optical readers, motion pictures, series and video music clips recorded on magnetic, optical and electronic media.
04. Antennas, satellite antennas, amplifiers and their parts.
05. Ticket vending machines, cash machines.
06. Elements used in the electronics of machines and devices; semiconductors, electronic circuits, integrals, chips, diodes, transistors, magnetic heads, deflectors; electronic locks, photocells, electronic opening and closing mechanisms and remote control devices used as part of them, sensors.

07. Meters and timers that measure the amount of consumption per unit time.
08. Protective clothing, protective and life-saving equipment, swimming goggles, protective goggles.
09. Control devices and tools for the transmission, conversion, storage of electrical energy; plugs, junction boxes, switches, switches, fuses, ballasts, starters, electrical panels, resistors, sockets, transformers, adapters, chargers, cables used in electricity, electronics, batteries, accumulators, solar panels for electrical energy generation, charging stations for electric vehicles.
10. Devices whose main function is warning and alarm (except vehicle alarms), electric bells.
11. Signaling, signaling devices and tools for use in traffic.
12. Fire extinguishing appliances and devices, including vehicles for fire extinguishing purposes (including fire extinguishing hoses and fire extinguishing valves).
13. Radars, submarine radars (sonars), instruments and devices for providing or enhancing night vision.
14. Decorative magnets.
15. Metronomes
16. Humanoid robots with artificial intelligence, laboratory robots, robots for education, robots for security surveillance.

## CLASS 10

01. Surgical, medical, dental and veterinary instruments, devices and furniture.
02. Artificial organs and prostheses.
03. Medical orthopedic materials: medical corsets, orthopedic shoes, elastic and supportive bandages.
04. Operating room suits and sterile drapes, medical masks.
05. Instruments and materials for sexual purposes.
06. Condoms (condom/cap).
07. Feeding bottles, bottle nipples, pacifiers, teether for babies.
08. Bracelets and rings for medical purposes, anti-rheumatic bracelets and rings.
09. Eyeglasses, sunglasses, lenses, and their cases, covers, parts, and accessories.

**fikirleriniz bizimle güvencede...**

## CLASS 11

01. Lighting devices (lighting fixtures for vehicles, indoors and outdoors).
02. Solid, liquid, gas and electric heating appliances; combi boilers, boilers, heating boilers and honeycombs, heat exchangers, stoves, ranges; solar energy collectors.
03. Steam, gas and smoke generators; steam generators (boilers), acetylene generators, oxygen generators, nitrogen generators.
04. Air conditioning and ventilation devices.
05. Coolers and freezers.
06. Electric and gas-powered appliances, machines and devices for cooking, drying and boiling; ovens, electric pots, electric kettles, electric water boilers, barbecues, barbecues, electric clothes dryers, hair dryers and hand dryers.
07. Plumbing products; faucets, shower sets, toilet inner sets, bathroom-shower cabins, bathtubs, toilets, sinks, washbasins, gaskets for faucets, washers (faucet inner set), faucet tips.
08. Water softening devices, water treatment devices, water treatment installations, waste treatment installations.
09. Non-medical electric underpads and electric blankets, heating pads, electric or non-electric foot warmers, hot water bags (thermophores).
10. Filters and filter-motor combinations for aquariums.
11. Industrial cooking, drying and cooling installations.
12. Pasteurizing and sterilizing machines.

## CLASS 12

01. Motor vehicles (including motorcycles, scooters) and engines, clutches and transmission couplings, transmission belts and chains, gears, brakes, brake discs and pads, chassis, bodywork, suspensions, shock absorbers, transmissions, steering wheels, wheels, forklifts, caravans (including motorhomes and towed ones).
02. Bicycles and their frames, handlebars, mudguards, saddles.
03. Vehicle bodies, tipper bodies, tractor trailers, refrigerated bodies, trailer hitches.
04. Vehicle seats, head restraints for seats, child safety seats, seat covers, vehicle covers (shaped like the vehicle), sun visors.
05. Arms for direction signals, wipers for vehicle windows, wiper arms.
06. Inner and outer tires for vehicles, tubes tires, tire repair kits, patches for vehicle tires, welding patches, valves for vehicle tires.
07. Vehicle windows, safety vehicle windows, rear-view mirrors and side mirrors for vehicles.
08. Skid chains.
09. Roof racks for vehicles, bicycle and ski carriers
10. Tire inflator pumps.
11. Burglar alarms, reversing alarms, horns for vehicles.
12. Seat belts for passengers, air cushions.
13. Baby carriages, wheelchairs, strollers.
14. Wheelbarrows, market carts, single or multi-wheeled trolleys, market carts, wheeled carriers for household goods.

15. Rail vehicles: Locomotives, trains, trams, wagons, cable cars, cable cars, chair lifts.
16. Watercraft and parts (except engines).
17. Aircraft and parts (except engines). Drones, unmanned aerial vehicles.
18. Clutch linings for land vehicles.

## **CLASS 13**

- 01. Firearms, pneumatic and spring-loaded weapons and their holsters and suspension straps and ammunition used with them.
- 02. Heavy weapons, mortars, rockets, ammunition and explosives.
- 03. Fireworks.
- 04. Protective gases for personal use.

## **CLASS 14**

01. Jewelry (including imitations); precious metals, jewels, precious stones and jewelry made of them, cufflinks, tie pins, sculptures and trinkets made of precious metals, key rings of all kinds of materials.
02. Watches and timekeeping devices (including chronometers and parts, watch bands).
03. Trophies made of precious metals awarded in competitions.
04. Rosaries.

**CLASS 15**

01. Musical instruments and enclosures.

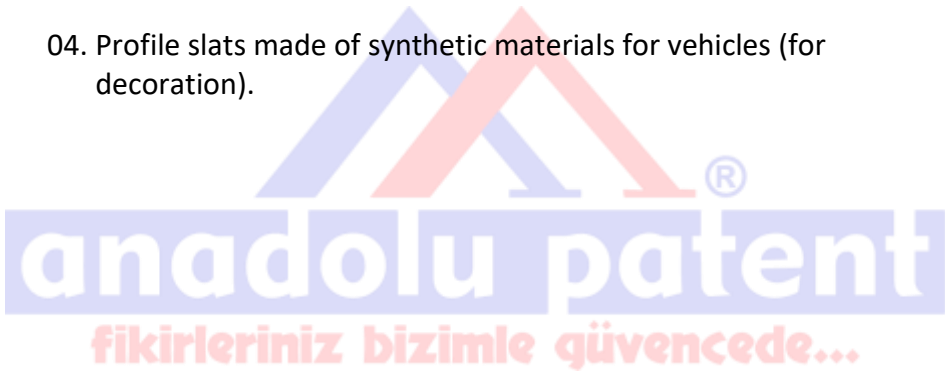

## CLASS 16

01. Paper, cardboard (paperboard); packaging and wrapping materials made of paper or cardboard, cardboard boxes; products for one-time use made of paper (except stationery): paper towels, toilet paper, paper napkins.
02. Packaging and wrapping materials made of plastic materials; plastic bags, stretch films, nylon sheets for wrapping and packaging
03. Printing and binding materials.
04. Printed publications, printed documents: books, magazines, newspapers, invoices, delivery notes, income receipts, calendars, posters, photographs, banners, paintings, stickers, stamps.
05. Stationery, office, educational, teaching, writing, drawing, painting and materials for artists (excluding furniture and appliances): stationery paper products, adhesives, pencils, erasers, stationery tape, cardboard for handicrafts, writing paper, copy paper, cash register paper rolls, drawing instruments, blackboards, painting paints.
06. Office machines.
07. Brushes and rollers for whitewashing and painting.

## CLASS 17

01. Rubber, gutta-percha, rubber, amyant (asbestos), mica or semi-finished synthetic materials in powder, sheet, rod and foil form.
02. Insulating, filling and sealing materials; paints used for insulation, fabrics for insulation, tapes for insulation, covers for insulation, joint sealants, gaskets, o-rings (except gaskets for engines, cylinder gaskets and taps)
03. Bendable tubes, hoses (including those used for vehicles), pipe sheaths and fittings made of rubber, plastic or rubber; textile hoses, nonmetallic pipe sheaths, fittings and connections, hose fittings, radiator hoses for vehicles (except fire hoses), spray nozzles.
04. Profile slats made of synthetic materials for vehicles (for decoration).

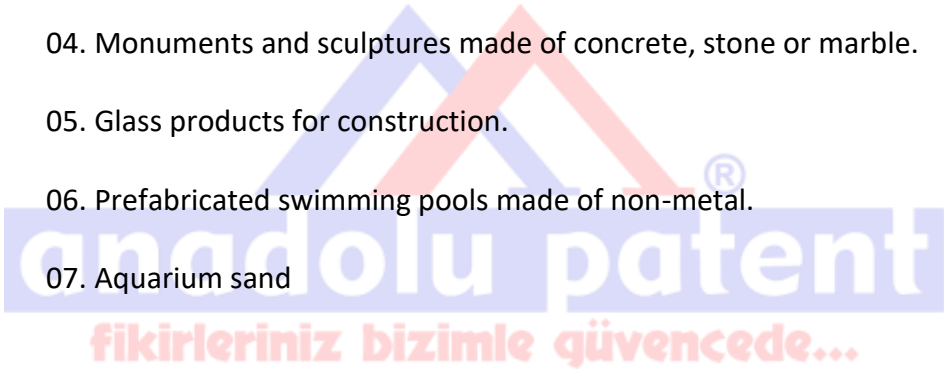

## **CLASS 18**

- 01. Processed or unprocessed hides and skins, artificial skins, leather, leather for lining.
- 02. Articles not included in other classes for transport purposes made of leather, imitation leather or other materials; bags, wallets, leather or leather leather boxes and trunks, key cases, suitcases, suitcases.
- 03. Umbrellas, parasols, parasols, sunshades, canes.
- 04. Whips, harnesses, saddles and their parts, collars for pets, clothes for pets.

## CLASS 19

01. Unformed materials included in this class: sand, gravel, crushed stone, asphalt, tar, cement, lime, plaster, concrete, block marble.
02. Concrete, plaster, earth, clay, stone, marble, wood, plastic or synthetic materials for building/construction/road construction and similar purposes; non-metal buildings/structures, non-metal mobile homes, structural elements, poles, barriers, natural or synthetic heat sealable coatings, tarred cardboard for roofs, tarred coatings, doors and windows made of wood and synthetic materials, natural/artificial stone and ceramic tiles, floor coverings.
03. Metal, mechanical and non-illuminated traffic signs for roads.
04. Monuments and sculptures made of concrete, stone or marble.
05. Glass products for construction.
06. Prefabricated swimming pools made of non-metal.
07. Aquarium sand

## CLASS 20

01. Furniture, clothes hangers, regardless of the materials and materials from which they are made
02. Bed mattresses, pillows, non-medical mattresses and pillows, seabeds
03. Mirrors
04. Beehives, artificial combs and honeycomb slats.
05. Mother laps for babies, playpens with bars (for indoors), baby cradles, walkers.
06. Boards made of wood or synthetic materials, pictures, frames for paintings, ID cards, dog tags, name tags, labels.
07. Packaging made of wood or synthetic materials, barrels, drums, barrels, drums, containers (tanks), boxes, packaging containers, containers for transportation, crates, transport pallets, covers used with them.
08. Hardware (hardware) made of wood or synthetic materials, furniture fittings, opening and closing devices.
09. Ornaments and decorations made of wood, cork, reed, bamboo, straw, horn, bone, ivory, whalebone, whalebone, oyster shell, amber, mother-of-pearl, meerschaum, wax, plastic or plaster included in this class; trinkets, wall hangings, sculptures and competition trophies made of the above-mentioned materials.
10. Baskets, fishing baskets.
11. Kennels, nests, beds for pets.

02. Buttons, clasps, eyelets, zippers, shoe and belt buckles, rivets, adhesive tapes, ties, pins, needles, sewing needles (except sewing machine needles), crochets and knitting needles, needle boxes and pincushions for clothing.
03. Fake flowers, fake fruits.
04. Hairpins, rings for tying hair, tiaras, hair ornaments not made of precious metals, false hair, hairpieces, hairpins, electric or non-electric curlers.

## **CLASS 27**

- 01. Carpets, rugs, runners.
- 02. Prayer rugs
- 03. Linoleum, artificial grass, upholstery cork linoleum (linoleum).
- 04. Cushions for sports purposes.
- 05. Wallpapers

## **CLASS 28**

- 01. Games and toys.
- 02. Indoor games; devices, machines and apparatus (including coin-operated) for games that can be connected and played with an external screen or monitor.
- 03. Toys for animals.
- 04. Toys for playgrounds, parks and playgrounds.
- 05. Gymnastic and sports equipment included in this class; fishing tackle, artificial fishing lures, traps for hunting and fishing.
- 06. Artificial Christmas trees and decorations for them, artificial snow, rattles, materials for parties and similar entertainments, paper party hats.

## CLASS 29

01. Meat, fish, poultry and game meat and all kinds of processed meat products.
02. Dry pulses.
03. Instant soups, bouillon.
04. Olives, olive pastes.
05. Milk of animal origin; milk of vegetable origin; dairy products (including butter).
06. Edible vegetable oils.
07. All kinds of dried, canned, frozen, cooked, smoked, pickled fruits and vegetables, tomato paste, desserts made from fruits and vegetables.
08. Nuts
09. Hazelnut and peanut butters, tahini.
10. Eggs, egg powders.
11. Potato chips.

## CLASS 30

01. Coffee, cocoa; coffee or cocoa-based beverages, chocolate-based beverages.
02. Pastas, ravioli, noodles.
03. Pastry and bakery products, desserts; bread, bagels, bagels, pastries, pita bread, sandwiches, hamburger sandwiches, wrap sandwiches, katmer, pastry, pastry, baklava, kadayif, kunefe, pudding, custard, kazandibi, rice pudding, keskül.
04. Honey, royal jelly, propolis.

09. Teas, iced teas.
10. Sweets, chocolates, biscuits, crackers, wafers.
11. Chewing gum
12. Ice creams, edible ice.
13. Salt.
14. Snacks made from cereals (grains), popcorn, oatmeal, corn chips, breakfast cereals, processed wheat, barley, oats, rye, rice.
15. Molasses.

## **CLASS 31**

- 01. Unprocessed agricultural and horticultural products fresh vegetables and fruits, seeds.
- 02. Forestry products; unprocessed logs, stumps.
- 03. Live animals, hatching eggs, fertilized eggs.
- 04. Live plants and herbs; live flowers, saplings, seedlings, dried plants for decoration.
- 05. Animal feed
- 06. Malt (not for human consumption).
- 07. Substrates for pets; cat litter.

## **CLASS 32**

- 01. Beers; preparations used in beer making.
- 02. Mineral waters, spring waters, table waters, sodas.
- 03. Vegetable and fruit juices, their concentrates and extracts, soft drinks.
- 04. Energy drinks (non-alcoholic); protein-enriched sports drinks.

**CLASS 33**

01. Alcoholic beverages (except beers).

## **CLASS 34**

- 01. Tobacco, chewing tobacco, cigarettes, cigars.
- 02. Tobacco smoking materials, including those made of precious metals; pipes, cigar and cigarette mouthpieces, ashtrays, tobacco boxes, tools for rolling cigarettes, cigarette papers, hookahs, flints, lighters, electronic cigarettes and cartridges used with them.
- 03. Matches

## CLASS 35

01. Services related to advertising, marketing and public relations, services for the organization of exhibitions and fairs for commercial and advertising purposes; services for providing online marketplaces (websites) for buyers and sellers.

05. Services of bringing together ...\* goods so that customers can conveniently view and purchase goods (such services may be provided through retail outlets, wholesale outlets, electronic media, catalogs and other similar methods)

*\*Please specify the commodity or commodity group in this section.*

## **CLASS 36**

- 01. Insurance services.
- 02. Financial and monetary services.
- 03. Real estate brokerage, consultancy and management services.
- 04. Customs brokerage services.

## **CLASS 37**

01. Construction services, rental of construction equipment and construction machinery.
02. Cleaning services; disinfection services; pest control services; rental of cleaning vehicles and machinery.
03. Land vehicle service station services (maintenance, repair and refueling). Electric vehicle charging services. Rental of portable charging units for electric vehicles.
04. Maintenance and repair of marine vessels; shipbuilding services.
05. Aircraft maintenance and repair services.
06. Furnishing, repair and restoration services related to furniture.
07. Installation, maintenance and repair of heating, ventilation and water installations.
08. Cleaning, maintenance and repair of garments.
09. Installation, maintenance and repair of industrial machinery and equipment, office machinery and equipment, communication equipment, electrical and electronic equipment.
10. Elevator repair and maintenance services.
11. Watch repair services.
12. Mineral extraction services.
13. Shoe, bag, belt repair services.

## **CLASS 38**

- 01. Radio and television broadcasting services.
- 02. Communication services; communication and facilitation services by telephone, computer and other means; services for the transmission of audio-visual messages, images, videos using computers, mobile telephones, smart wearable devices, services for the rental of user login time to a global computer network, services for the provision of internet services, services for the rental of communication equipment.
- 03. News agency services.

## CLASS 39

01. Land, sea and air transportation services and the rental of land, sea and air vehicles, arranging tours, arranging places for travel, providing tickets for travel, courier services. Within the scope of health tourism, travel arrangement and transfer services for those who want to receive treatment and their companions. Travel visa and documentation arrangement services
02. Car parks services, garage rental services.
03. Boat hosting services.
04. Pipeline transportation services.
05. Electricity distribution services.
06. Water supply services.
07. Vehicle and property recovery services.
08. Services for storage, packaging and crating of goods.
09. Garbage storage and transportation services, waste collection and transportation services.

## CLASS 40

01. Ordinary metals processing services.
02. Precious metals processing services.
03. Services for the processing of photographic and cinematographic products, developing, printing and photo-engraving services.
04. Food processing and canning services; information services on food processing and production.
05. Animal slaughter services.
06. Leather and fur processing services.
07. Saddlery services.
08. Fabric processing services, wool processing services.
09. Tailoring services, embroidery services.
10. Wood and timber processing services.
11. Services for framing works of art.
12. Liquid, chemical, gas, air handling services.
13. Glass and optical glass processing services.
14. Services for the assembly of machinery, equipment and materials on behalf of third parties.
15. Dental technician (casting) services.
16. Pottery services.
17. Power generation services, rental of generators and accumulators.

18. Processing of paper.

19. Printing services, bookbinding services.

20. Plastic processing services.

## CLASS 41

01. Education and training services, life coaching (training) services,
